ABOUT US:

Established in the year **1950** Kanteen India Equipments Co. has been serving the Hospitality Industry with pride and perfection under the Brand 'Kanteen®'. We are one of the oldest & leading Kitchen Facility Planner, Manufacturer, Importer, Exporter of Commercial Kitchen Equipment.

We undertake projects from facility planning of kitchens, to manufacturing and installation of foodservice equipment, exhaust system, fresh air ventilation system, gas bank manifold system, to sum it up - **A Complete Kitchen Solution Company**. Our team of engineers makes sure that each of our equipment is a pleasure to use for every chef. We also undertake customized fabrication of kitchen equipment. Our range of Indian & imported foodservice equipment provide one stop solution for all kitchen requirements.

We have a team of professionals who have vast experience and in-depth knowledge of the Hospitality Industry who can better understand the customers' specific requirements and can help to choose the right products as per their budget.

We strive to be a responsible partner to our clients, providing quality equipment that is value for money and strong service support providing spare parts as & when needed to meet the needs of the clients so as to ensure total customer satisfaction. A group of well trained service engineers and technicians are always ready to provide great support and after sales service. Our team of engineers have extensive experience in proper installation & maintenance of the products which enhances the life and the safety of the equipment.
