Pratica
HIGH SPEED OVENS

Kanteen[®]
SINCE 1950

Pratica **FIT** EXPRESS

SPEED OVENS

The American sensation, now in India

The Pratica Fit Express high-speed oven is gaining popularity worldwide. It is designed to efficiently finish refrigerated, fresh, or frozen foods, such as breakfast sandwiches, chicken wings, muffins, lasagnes, subs, and other partially prepared dishes. It provides excellent flavour, appearance, and crispiness. The combination of impinged air and microwaves allows for faster heating, browning, or toasting of foods compared to traditional methods.

CERTIFIED
VENTLES
WITH EASILY REMOVABLE
CATALYTIC CONVERTER.

- Compact size; suitable for 30cm pizzas.
- Full-colour, user-friendly touchscreen with drag-and-drop features.
- Stores menu recipes directly on the oven or via Wi-Fi or USB drive.
- Ventless: no hoods necessary.
- Removable catalytic converter for easy cleaning.
- Consistent results through precise control and even heat distribution.
- Independently adjustable microwave power, temperature, and impinged air.
- No side vents, allowing zero side clearance.
- Elegant and intuitive: stores unlimited recipes with their own steps, settings, icons, or photos.
- Temperatures up to 280°C: the impinged air convection technology combined with microwave capabilities enables faster cooking.
- Heat insulation keeps the surface cool to the touch.
- Single and dual magnetron versions available.

Ventless High Speed Ovens for Coffee Shops

The Butler Ventless High Speed oven is a revolutionary appliance designed to combine the outstanding results of a convection oven, accelerated air impingement and the cooking speed of a microwave. While microwaves offer fast cooking, they can often result in meals that are soggy or ice-cold in the middle, and devoid of quality textures like crispy crusts. With Butler High Speed Ovens, this would be a thing of the past. They are designed to turn fast food into a gourmet experience for your customers, delivering great tasting food, quickly and consistently. Being compact in size, they're also great space savers, reducing the need for multiple cooking appliances. The built-in catalytic converter breaks down grease-laden vapours, allowing for a ventless operation.

Catalytic converter

Butler Ventless High Speed Oven is a versatile, all-in-one cooking oven with an ability to cook, toast, grill, regenerate and bake a wide range of fresh or frozen foods, such as sandwiches, paninis, pizzas, burritos, toasties, quesadillas, samosas, fish, vegetables, kebabs, steaks and a lot more and offer the following benefits.

- Simple operation with Touchscreen control
- Up to 20 x faster preparation times
- Pre-programming on PC
- Download recipes via the USB port
- Rapid cooking with high quality repeatable results
- Ventless operation
