## Chocolate Melter

The Butler Chocolate Melters are designed to not only melt your chocolate, but keep it at the perfect temperature throughout your food service. It comes with a covered stainless steel bowl, which is removable for easy cleaning. These can be used to melt Pure and Compound Chocolate, Hot Sauces and Chocolate Dips and more. It comes with a Temperature Controller to control the heat. Although the low wattage is designed to ensure that the chocolate does not get burnt, constant manual stirring is a must for optimal results.
